

DEVORAN NEWS

Message from the Head

Dear Parents and Carers

It has been lovely seeing the children taking part in our Captain Tom 100 challenges today. If your child decides to take on any additional '100 challenges' over the long weekend, it would be lovely to see some photos.

We are starting to put together some plans for the remainder of the Summer Term with regards to trips and visits as well as swimming for some year groups. The additional COVID restrictions makes this more complex than normal, but we are determined to get as many enrichment opportunities restarted for your children as we can. We will be in touch with more information in due course.

Please remember to use the Food Hub form below if you would like to receive food next Friday. We need this information by Tuesday morning at the latest.

I hope you are all able to enjoy the extended weekend and we look forward to seeing your child/ren back in school on Tuesday morning.

Best wishes
Miss Lock

Captain Tom 100

Today the children have had great fun taking on their various challenges for Captain Tom. The excitement around the school has been lovely to see.

Thank you to everyone who brought in some sponsorship money for this event. We will keep the bucket on the gate on Tuesday as we know some children are keen to try and raise more money over the weekend by creating further challenges!

The Year Five children took on the challenge of running 100 laps of the school field. They will sleep well tonight!

Year Six played dodgeball (using PE equipment to deflect balls) until we had the score of 100.

Year Three took on a range of different challenges that included 100 ball passes, 100 pictures and 100 laps of the playground!

Food Hub Support

To request food hub support, please use this [online form](#). We will place orders for the next food deliver on Tuesday morning and will distribute it on Friday. It would be really helpful if you can hand an empty, named shopper bag (or two) to the office by Tuesday morning for us to use.

This is open to all our families and all information will be kept in strictest confidence.

COVID-19 Roadmap

As a school we continue to work really hard to keep our bubbles safe with all the additional measures we have in place. We would like to politely remind our community about the current roadmap; outdoor gatherings of either 6 people (the Rule of 6) or 2 households is currently allowed. Whilst it is inevitable that, whilst using community areas such as parks, you will meet more people, please be considerate of the roadmap in order to keep our staff, children and community safe. It puts the school in a very difficult position when children talk about birthday parties, play dates in houses and sleepovers when this is not part of the roadmap that is in place to keep us all safe.

Parking

Please remember that the roundabout is a no-parking and a no-stopping zone.

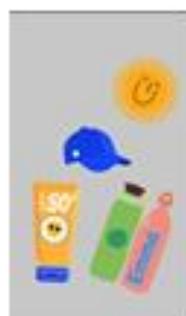

Devoran Wraparound Care

We've had a great week of construction and crafting this week. Year 6 explored shapes, patterns and movement with the dominos. Year 4 worked on design and construction using the K'NEX, Year 1 made a car wash from the foam squares and we all enjoyed creating ourselves as emoji's and some Harry Potter themed craft.

Please could you send your child with the following items

- A named water bottle
- A sun hat / Cap
- Sun cream

Please book all sessions for the week on ParentPay or at emmafoden@devoranschool.co.uk

Devorah Wraparound Care

Next week we are starting a very special competition at Wrap around care

The Heroes Stamp Design Competition

Honouring the heroes of the coronavirus pandemic... on stamps

Royal Mail's Special Stamp programme has commemorated British history and achievement. Since the coronavirus pandemic began, there have been many people who have done great things. Many of them are not famous, but they have done extraordinary work. We think that what these people have done makes them heroes, so Royal Mail wants to honour them by producing a set of eight stamps.

The stamps will feature designs created by eight school-aged children. We are asking our young designers to think about who their hero or heroes are, and to then design a stamp in their honour. A special panel of judges will pick the winning designs. The final eight stamps will be sent to Her Majesty The Queen before they can be printed and issued.

We can't wait to get started on our designs so get your thinking about your ideas on over the weekend!
