Spray Painting with Barry Amey

Monday 8th April 10am - 4pm £50

Young artists 12+ also welcome (workshop during Easter holidays)

During this workshop, Baz will introduce you to the various painting techniques involved in working with spray cans. This will include showing you different ways to apply the paint, such as pouring and block printing, and using various types of strokes and stencils.

You will also have the chance to experiment with a variety of spray can nozzles which create different effects.

Baz is a professional acrylic spray paint artist. His work, which also uses enamel paint, has been exhibited widely throughout the country.

**If you would like to book a space on this workshop,
give us a call on 01872 240567.**
