

### Dogs on beaches this Summer

Forwarded by a member of the community:

Many people have shown concern over the controversial changes coming into effect this year, reducing the restrictions to dogs on beaches over the summer. There will be a review in October to see how these changes have been met by beach users. They will look at evidence of dog misbehaviour over this period. This can be reported to:

Miranda Sykes Friday 6<sup>th</sup> March. 7.30pm (doors 7.00pm) Devoran Village Hall

Miranda is the acclaimed singer and bassist with 'Show of Hands' and she is returning to her roots. After a career spanning over 20 years, during which time she has played with many of the top musicians and singers within the folk world, she is touring as she started out: one woman, one bass, and one guitar.

Building on the success of her 'Borrowed Places' tour, Miranda Sykes is back with a completely new project - 'Behind The Wall'. Where 'Borrowed Places' opened a window into the past, explaining where she had been, physically & spiritually, 'Behind The Wall' is a Roller Coaster Ride exploring where we are going, Miranda, you, me, all of us. What does it mean to be human today, living in our communities and societies and where will our actions lead us? A powerful and hard-hitting show, but also poignant & beautiful. The show gives us all a chance to reflect and maybe even empower us.

# Watercolour Landscapes, direct and dynamic

#### A Two Day workshop with Jem Bowden

#### Watercolour Sun 17th & Mon 18th May 10am - 4pm £135

This studio-based workshop will be an introduction to painting with watercolour in a loose, impressionistic and bold style. Subjects covered will include coastal scenery, skies, trees, foliage, and more. You will look at how light, composition and simplification are key in achieving atmosphere and a sense of place. Core techniques of watercolour will be covered, including the use of hard & soft edges, tonal control and variation in brushwork, to create paintings that have energy and impact. From the basis of careful observation, we will work through some exercises in interpretation, and towards a complete painting on each day. Students are encouraged to be bold and 'take risks' freely, and not expect masterpieces, but will take away many useful ideas and inspiration to work with in their own painting.

Jem Bowden won 'Artist of the year 2014' for The Society for All Artists, was winner of the Exhibition Award at Patchings/The Artist Open Competition 2017 and winner of the Daler Rowney Award at Patchings/The Artist Open Competition (2016 & 2017). He was also winner of 3 category awards in subsequent years of the SAA Artist of the Year competition (2015, 2016, 2017). He is a regular contributor to Leisure Painter magazine, and is author of the Watercolour Diploma for London Art College. Jem runs workshops and demos throughout the UK, so who better to lead our first two day workshop?
