WATERCOLOUR PORTRAITURE **WORKSHOP** WITH STEPHIE BUTLER

Wednesday 1st May
10am - 4pm £75

In this exciting, informative workshop, Stephie will show you how to paint portraits in watercolour that are full of colour with an impressionistic feel, making your works unique. There will be a mixture of ongoing demonstrating and one-to-one attention that will focus on how to portray feelings and emotion in a subject. You will be encouraged to develop your own style, to learn how to paint with instinct alongside technique, to simplify drawings prior to painting to enable a looser style, to paint with colour that deviates away from the norm. Most of all, you'll have fun and come away inspired to paint more!

Stephie was awarded the "Derwent Art Materials Award" in 2015, and more recently the new "Royal Institute of Painters in Watercolour Award" at the selected Society of East Anglian Watercolourists Exhibition 2017. She is an elected member of the Society of Women Artists and her work has been featured in a book on watercolour techniques, included in the International Watercolour Society catalogue, and also used as a book cover. Stephie has had solo exhibitions in the UK and abroad.
