DEVORAN NEWS

Message from the Head

Dear Parents and Carers

Please find below our confirmed Term dates for September 2021 as well as some other important information as we start to put plans in place for our new and improved enrichment programme of after school clubs that we are able to offer our children. I continue to be very proud of our work with the local community and we are keen to develop this further. It is with this in mind that we are reaching out to friends, families and our community to see what knowledge and skills we can bring into the school to give our children more opportunities within the school setting. If you know of anyone who may be interested in supporting us, please do pass on the newsletter or direct them to our school website.

We hope you all have a lovely weekend.

Best wishes

Miss Lock

Menu change!

On Monday Heidi will be cooking pizza and potato wedges instead of the calzone option. If your child would like pizza, please select calzone.

Food Hub Support

To request Food Hub support, please use this [online form](#). We will place orders for the next food delivery on Monday morning and will distribute it on Friday. **Please bring your named shopper bag (or two) to the office on Monday morning for us to use.**

This is open to all our families and all information will be kept in strictest confidence.

Year 5 Enterprise Project

Our Year 5 children have been working hard over the past half term to research, design, and pitch their ideas for items to sell to the local community in order to raise money for the Greenpower Goblin Racing Project. The children are now preparing to start creating the resources, and they have opened up their online shop. You can take a look at their ideas here and perhaps even pre-order your item!

We need your help!

We are already planning our enrichment programme for after school clubs in preparation for September. We would love to engage further with our community and build on the amazing skillset of our friends and families. If you would like the opportunity of running or helping to run an after-school club, we would love to hear from you!

Please fill in this [short survey](#) if you are able to help or if you have any ideas of clubs you would like to see after school! We will be asking children over the next few weeks too.

Devoran Wraparound Care

This week we have completed our Royal Mail heroes Competition and all I can say is if it were up to me I would have them all made into stamps because the designs are amazing!
Good Luck to everyone who entered.
