

DEVORAN NEWS

Message from the Head

Dear Parents and Carers

We have had a really busy week in school which has seen our Year Six children return to Truro Leisure Centre for some intensive swimming lessons. The children have done really well within these sessions and all children who attended were able to swim 25 metres or more. This is a fantastic achievement and we are thrilled to be able to return to this important life skill at Devoran School.

Our Year One children have created a lovely minibeast exhibition that has been on display on our gates for everyone to enjoy. We are so proud of their writing – well done Year One!

We really enjoyed seeing the children enjoy the designs for our playground markings on Thursday. We are thinking of creative ways of making the trail into school a little bit more exciting for the children and Mrs Evans, Mrs Morris and Mrs Tippet are in the process of liaising with the designers to create a more permanent feature. Watch this space!

After half term, you may notice that our Foundation Stage children will start walking into school using the gates that lead up to classrooms. At this stage in order to support our youngest children with this transition, we will also be inviting the Foundation Stage parents to walk in with them, but we ask that all other parents continue with the drop off / collection as it currently is. We really hope that by September at the latest, we will be able to welcome all parents back up the path to the classrooms should they wish to.

We hope you all have a lovely weekend and a fabulous half term. We look forward to welcoming our children back into school on Monday 7 June.

Best wishes
Miss Lock

Food Hub

We will not be taking food orders for over the half term break or for the first week back. The food hub at Bosvigo School is, however, open from 08:45-10am on Friday 4 June if anyone would like to go and collect food in person.

Year Five Enterprise Project

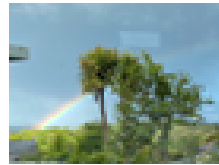

You still have chance to log on to 'Lets Localise' and put in your orders for our Year Five items. Our Year Five children have been working hard over the past half term to raise money for the Greenpower Goblin Racing Project. You can take a look at their ideas and perhaps even pre-order your item here:

<https://www.letslocalise.co.uk/school-shop-details-view?eventId=10050>

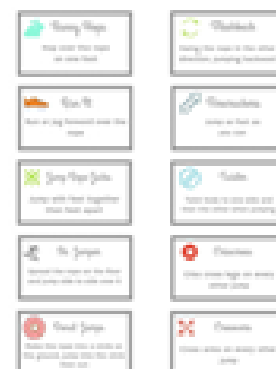

Enrichment Programme

Thank you to everyone who has completed our enrichment programme survey. We will be in touch after half term, but in the meantime, if anyone else would like to share their thoughts, ideas or even time, please fill in this [short survey](#).

Devoran Wraparound Care

This week we had a great time trying out some new skipping challenges . Have a go and see how many of them you can do during half term . We also created our own self portraits. So we can set up a giant game of Guess Who! I'll upload the photos to the children's ClassDojo today as I'm sure you'll love to see them.

At Wraparound Care in June we will be taking part in 'The Wildlife Trusts' 30 Days Wild!'

The concept is simple: complete a Random Act of Wildness each day for 30 days. This can be anything from eating breakfast outside and listening to birdsong, to planting wildflowers for a passing butterfly. The act doesn't have to be huge or difficult, it just has to be wild!

We'd love everyone to join in because we know you'll have an amazing time if you decide to join us. So please download your bingo cards and activity passport from the wildlife trust website and get sharing your pictures with us as we'd love to see what really wild activities you get up to! When you complete a full house in bingo or your activity passport let me know and there will be a small treat for each achievement.

Any questions please get in touch

Have a really wild half term!
