Message from the Head

Dear Parents and Carers

I hope you all had a lovely bank holiday weekend?

This week we have been very lucky to have had a visit from the Farm and Country Roadshow. Every class had the opportunity to go and find out about where their food comes from, learn about milk production, barley, wheat and oats as well as learn about different animals.

This week we have been meeting with teachers to look at the progress and attainment of all children in their classes. We are incredibly proud of the progress that the children are making in every class and the effort the children are clearly putting into their learning. Well done everyone!

I hope you all have a restful weekend.

Best wishes

Miss Lock

Message to our Year Six children

Next week is SATs week for you. Whilst the SATs tests are inevitable, I have been awe struck by the focus, determination, resilience and positive attitude you have all displayed in your learning up to this point. You are all so ready for next week – you couldn't do anything more to prepare.

One very important piece of information I want you to understand is that these tests only measure a little bit of you and your abilities. They are important, but you are made up of many other skills and talents that we at Devoran see and measure in other ways. You are all unique and make us all incredibly proud in your individual ways.

You've got this Year Six. Now go and have a wonderful, relaxing weekend!

School Uniform

Please help us to keep our children looking smart and safe by ensuring they are wearing the correct jumpers / cardigans and that they are named. If you are missing any, please come and check the pile in reception!

To help us keep the children safe, this is a polite reminder that children should be wearing sensible black shoes (not trainers). Socks should also be worn at all times.

If a child's hair is touching the shoulder, this should be tied up with a neutral coloured hairband. Please help us keep the school nit free!

Thank you for your continued support.
