

DEVORAN NEWS

Message from the Head

Dear Parents and Carers

We have had a week full of sporting achievements in the past 7 days. Last Friday we took children from Years 4, 5 & 6 to take part in the cross-country event at Penair School. Our children all ran phenomenally well with 15 of the children placing in the top ten for their event. We were so impressed with the stamina and sportsmanship they demonstrated throughout. Well done to everyone who took part!

The finalists from the Year 3 and 4 athletics went to Penryn College on Wednesday to compete. Our team showed great team spirit, supporting one another through the various events and even having fun along the way. There were 7 schools in the final and we came 4th overall. Congratulations to our Year 3 and 4 finalists – we are very proud of you.

Today we entered the U11 hockey tournament at Penzance Hockey Club. We had a strong team made up from Year 5 and 6 children. A special mention has to go out to Tom B who stepped up by being our goalkeeper today. You would never have known it was his first time in front of the hockey goal. His saves were outstanding and he certainly didn't make it easy for the other teams! We had some fantastic play from everyone today which resulted in two great goals from Eli and one from Jack. We came 4th overall and I am secretly hoping that we have recruited some new hockey players moving forward! Next week we look forward to our online safety workshops in school as well as some KS2 science workshops as part of our science week.

I hope you all have a lovely weekend.

Best wishes

Miss Lock

Comic Relief

Friday 18th is Red Nose Day. We will be selling red noses in school from Monday – they cost £1.50 a nose. We have 200 noses to sell, so there should be enough to go around!

We will also be dressing in our own clothes on Friday to raise money for this cause – we ask that each child brings in £1 for this.

If your child wishes to dress in 'something funny' they are most welcome to. If not, home clothes is absolutely fine.

Here is a link for the Parentpay app if you would prefer to donate online rather than bringing in £1 on Friday:
<https://app.parentpay.com/ParentPayShop/Foc/Default.aspx?shopid=6204>

Online Safety

We would like to gather parents' thoughts on online safety as well as our computing curriculum. We would be grateful if you could take the time to complete this short survey to inform our future planning. You can access the survey [here](#).

We have also booked an online safety workshop for our families called 'Parenting in the Digital World'. This online webinar will take place on Monday 21 March at 7pm. We hope that you will be able to attend the workshop and that it will support our families in keeping up to date with current online safety themes.

Zoom Invite details.

Topic: Parenting in the Digital World

Time: Mar 21, 2022 07:00 PM

Talking about War and Conflict with Your Child

Creative Education are running a webinar for parents on the above topic. We are sharing this information with you in case it is of interest to you. You are all able to access the webinars on the Creative Education website free of charge.

Title: Talking about War and Conflict with Your Child

Date: Monday 28th of March at 4 pm UK time.

How to book: Register [here](#) to attend

<https://www.creativeeducation.co.uk/courses/talking-about-war-and-conflict-with-your-child/>

About:

This webinar hopes to help parents/carers and those in education to consider different ways to talk to their children about conflict, war and disasters. We will consider:

1. How to ask questions and noticing
2. How to support with fact-checking
3. Providing consistency in a world of uncertainty
4. Supporting emotional well-being

Peter's 101 Mile Cycle Ride for Devoran School!

Peter is a cleaner at Devoran School and he is embarking on an incredible challenge of cycling 101 miles from Bude to Lands End on Saturday 26 March. Peter will be setting off at 8am, hoping to arrive in Lands End by 6pm. At the age of 71, Peter wanted to do something to support Devoran School. All monies raised will go towards installing a defibrillator on site. Peter says "I have worked at the school as a cleaner for the past 3 years with great staff and children. I am retired from the Royal Research Ships NERC after 40 years. I love cycling, but some years ago I had to stop due to arthritis in my knees. After having two new knee replacements I was able to start cycling again with no pain is great. I volunteer for Sustrans national cycle network looking after route 3 in my area. For more information on the cycle network go to www.sustrans.org.uk they are a great organisation. I hope that you will be able to sponsor me to show our support for the children and staff at Devoran School"

The link to the sponsorship page is here:

This Week's News

(11 /03/2022)

Photo Gallery

After such a busy week last week we have had a much more chilled out week enjoying spending time back together as a group.

Puzzling, building and playing in the sunshine have been a real hit.

As have animal origami bookmarks and making word searches which have kept me working hard to find the answers.

Next week we will spend the whole week exploring the topic of Children in Need.

Reminders

ParentPay bookings cut off on midnight the night before each session. If you need to book after this time, please get in touch via Class Dojo or the email address below. If everyone could please check and clear any payments owing it would be very much appreciated. Any problems please contact me on

emmafoden@devoranschool.co.uk
or pop round to the hall doors and I will be happy to help you. Thank You.
