We are in need of a few more helpers...

Our lovely **Community Coffee Morning** meets once a month at **Devoran Village Hall** (Lower Hall).

Can you spare a few hours to help out?

We meet **every 3rd Monday of the month**. The next being **20th June**. We set up from 9.30am and pack up at 11.30 (finishing just before midday).

If you like having a bit of a natter, meeting new people and are happy to do a bit of waitress style service this is the ideal opportunity for you.

We are a friendly team of volunteers and I support with the co-ordination/promotion side of things where needed. These events are for the community, run by the community.

At our next Community Coffee Morning we will welcome our guest from Healthwatch Cornwall, who will be providing a 'pop-up' info service. Plus we always have homemade cake, fresh coffee and refreshing tea!

If you fancy joining our team of helpers, please drop me an email.

Feel free to come along for a cuppa or if you would just like to see what is on offer just pop in. Everyone is welcome! 😊

I look forward to hearing from you!

Kind regards, Bex

Volunteer Beaver and Scout Leaders wanted

Might you be able to help out a local Beaver Scout group by becoming an Adult Leader?

Might you feel you can help this busy and active group of 6-8 year olds keep going?

Might you be able to commit to attending a weekly hour on a Wednesday evening during term time?

If you think you can, or would just like to know more, please contact clarebidgood@me.com

So what are the basics?

The group is 17th Truro Devoran scouts and the Beavers meet at various locations weekly on Wednesday from 5.30 pm-6.30pm. Currently, there are 13 Beavers and a strong team of adult helpers. However, we will be losing a leader and we desperately need more. The program is very varied and active and is planned a term ahead so you will always know what your commitment is.

What kind of person are we looking for?

You should be happy to work with this age group and be able to be a fun and flexible adult as well as being able to confidently lead and guide Beavers through the sessions. To work as part of a developed Leadership team and to be able to offer a commitment to most sessions and associated meetings. You may be looking to enhance your CV as you work towards a career working with children or outdoor pursuits. You may even feel you just want to give back into Scouting if you used to enjoy all the benefits of it. Whatever your reasons, please do contact us.

And what do you get out of it?

An excellent personal development opportunity where you can gain accredited certification in a whole host of outdoor activities as well First Aid and Safe Guarding training. Creating contacts and links in the community as the groups Leadership teams have many professionals within it. A chance to be part of a vibrant local group who are constantly working closely with the community as well as other groups in the District. The Scouting Association has a very developed training system so you will be guided and assisted every step of the way. You do not need these skills to start, just a willingness to take on the training. If you would like to come along just for a chat and some information please do get in contact and we will happily give you all the information you need.
