LEARN TO DRAW: PENCIL PORTRAITURE WITH TAMSIN DEARING

Tuesday 10th April

10am - 4pm

£50

In this fun and relaxed workshop you will explore the foundations of drawing lifelike portraits and receive expert tips to improve your observation and shading. Tamsin will build your drawing confidence by helping you see what is there and to accurately capture that on paper.

Tamsin is a self-taught professional artist with a fascination for the stories every individual face can tell. This workshop is perfect for helping you overcome the fear factor in drawing likenesses and give you the confidence you need to develop your skills.

Tamsin supplies everything for this workshop, however if you would like to use your own pencils and paper you can. Also, if there is a particular person you would like to draw please bring along an image.

THERE IS LIMITED SPACE ON THIS WORKSHOP - IF YOU WOULD LIKE TO COME ALONG, GET IN TOUCH SOON BY CALLING US ON 01872 240 567 OR POP IN AND SEE US.
