## Message from the Head

Dear Parents and Carers

This week has been a busy week as we continue to see a few COVID cases filter into school. We continue to keep all our measures in place at this time and will keep you informed as much as we can. We are working really closely with the Local Health Protection Team to continue as normally as we can at present. A few parents are already asking about the Pantomime the week after next, but it is still too soon to decide about this. There hasn't been any further illness or COVID cases in Year 5 or 6 this week which is good news.

Parent Consultations will go ahead as planned next week with the exception of Year Three and Year Five (these will take place for the same days and times, but the week after). We ask that you wear a mask and enter and exit the classroom via the green gate. Your child is welcome to attend the appointment with you.

## PTCA Christmas Raffle

Thank you to everyone who brought in raffle prizes today. Tickets for the Christmas Raffle will be on sale soon.

If you have a business and are able to offer any 'premium prizes' for the raffle, we would be very grateful to receive them. Please contact Mrs Andrews in the school office about this.

## Christmas Card competition

Children in KS2 had the opportunity of taking part in a Christmas Card competition that was prepared by TruroBid. All the entries will be beamed up in two locations during the late-night shopping events in Truro this year. We are delighted to announce that Charlie (Year 4) was the overall grand winner of the competition and his card has been produced for sale from this Friday at the Joli Boutique. He has won a £20 book token and a £5 voucher for Joli Boutique. They also decided to award a special prize for artistry to Cassia (Year 6) who won a £10 book token and a £5 voucher for Joli Boutique. Congratulations to everyone who took part and keep a look out for the amazing art in town!

## This Week's News

We have spent most of our time outside this week enjoying the Winter sunshine, rainbows and sunsets but it has been rather chilly, please can children come with coats, gloves etc so we can make to most of the weather while it lasts!

## Activities

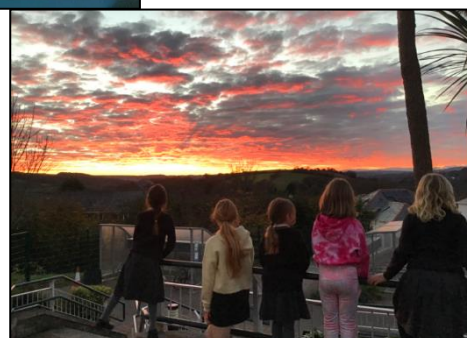

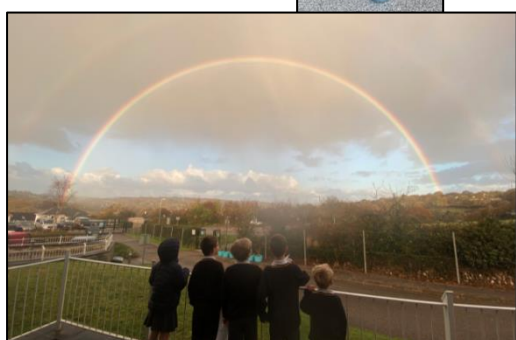

This week Christmas seems to have come a little early with regards to our indoor activities, but once the children saw the stage there was no stopping them! They have also been creating wonderful marble runs and Jenga towers.

Check out our week in the photo gallery!

## Reminders

Please can we remind you all of the importance of booking all required sessions on ParentPay or via [emmafoden@devoranschool.co.uk](mailto:emmafoden@devoranschool.co.uk) When booking it is important to select the session you require from the drop down menu, for breakfast club you need to scroll to the top of the list. This means we can plan for the children's individual needs and collect the children promptly from the classroom.

## **Academic Year 2021/22**

Dear Parent/Guardian

### **Your child's annual nasal flu vaccination is now due**

As the autumn term begins, it is highly likely that COVID-19 will again be in circulation at the same time as flu therefore it is important that we do all we can to protect against flu. We are delivering the flu immunisation programme in Cornwall's schools on behalf of NHS England. Flu can be a very unpleasant illness and sometimes causes serious complications. Vaccinating your child will also help protect more vulnerable friends and family by preventing the spread of flu.

In 2021/2022 all children in Primary Schools from **Reception to year 6 (inclusive)** will be offered the vaccine. The vaccination is free and recommended for young children; it is administered by a quick and simple spray up the nose. Please enter [www.nhs.uk/child-flu](http://www.nhs.uk/child-flu) or click on [link](#) to access information explaining the vaccination programme which also includes details about the small number of children for whom the nasal vaccine is not appropriate.

We are due to visit your child's school on **Wednesday 1<sup>st</sup> December**. In order to access the online consent form, please enter or click on the following link <https://www.kernowimmunisations.co.uk/Forms/Flu> **PLEASE ENSURE YOU ENTER THE FULL UNIQUE SCHOOL REFERENCE CODE. The code for your child's school is: EE111872**

Please submit your consent form by **midday Monday 29<sup>th</sup> November** to ensure your child receives their vaccination. If you experience any problems accessing the form please **telephone 01872 221105** and the team will be happy to help. Please note that as in previous years **you must opt into** the programme. If a consent form is not submitted your child will not be vaccinated.

**If your child becomes wheezy or has their asthma medication increased after you submit this form, please contact Kernow Health on 01872 221105.**

If you decide you do not want to vaccinate your child against flu, it would help us if you still complete and submit the consent form giving the reason. This will help us to plan and develop the service. Please tell us if you need this information in a different format.

Yours faithfully
