

DEVORAN NEWS

Message from the Head

Dear Parents and Carers

We have had a great week filled with a number of curriculum-enriching activities for everyone.

On Tuesday, we invited Spaceport, Cornwall in to share information about Virgin Orbit and the plan to launch satellites from Cornwall into space. The children were enthralled by the assembly and excited about the future job opportunities that are being created for the generation coming through the school. This is a really exciting time for Cornwall. To raise more awareness of this, we have been asked to enter a competition to design the mascot for Spaceport Cornwall. Every child should have received an entry form already, but more information can also be found at www.spaceportcornwall.com/mascot.

Year Three spent the day at King Edward Mine yesterday where they learnt about mining and the importance this played in our Cornish Heritage. They even had a go at panning for gold!

Today Year Four have welcomed Sharon from Ancient Art Falconry into their classroom to teach them all about birds of prey. They were introduced to five birds and learnt about their habitats, anatomy and survival in the wild. We look forward to welcoming Sharon back into Year Four in a few weeks.

Thank you to all the parents who attended the Parent Consultations this week. We hope that you are as proud of your child's learning and progress as we are. If you didn't manage to make an appointment, please arrange a time with your class teacher before the end of term.

Today's Donation Day, in support of Scoliosis Awareness Month, has been a huge success and the children have looked great in their green attire! Thank you for your continued support with these events that help to raise awareness of these important things to our children. Today's Donation Day raised over £258. Thank you everyone!

I hope to see you at the Summer Fair tomorrow. The PTCA have worked tirelessly to make this a success and your support is very much appreciated to both attend and maybe even run a stall for an hour!

I hope you have a lovely weekend.

Best wishes

Miss Lock

With the sunnier weather that we have seen over the past few days, please ensure that your child brings a **named sun hat** into school as well as **sun cream** to put on at break and lunchtimes.

Long may the sunshine continue!

TERM DATES 2019-2020

4 September - Children in school

18 October 2020 – INSET DAY (no children)
