Mixed Media, Painting and Collage

with Sally MacCabe

TRURO
ARTS
COMPANY

Monday 2nd September 10am - 4pm £50

This workshop is an opportunity to work experimentally with a wide variety of materials. Sally will commence with a starter exercise as a stimulus for a design which you will then interpret onto canvas or board using mixed media including acrylics and layered, collage papers.

Where Sally is a professional artist with over 20 years teaching experience. Based in St Ives, she is part of Back Road Artworks, a studio gallery run by a collective of local artists. Sally's paintings are an intuitive exploration of colour, typography, texture and applied ephemera where the outcome is unknown – an exciting and liberating process!

The poster features a light blue background with stylized blue floral patterns. At the top left, a pink diagonal banner reads 'FREE ENTRY AND PARKING'. In the center, a large yellow sunflower is flanked by two purple and orange butterflies. Below the sunflower, the text 'DUCHY COLLEGE' is in green, and 'OPEN DAY' is in large orange letters. The date and time 'Sun 23 Jun 11am - 3pm' and the location 'Rosewarne, Camborne, TR14 0AB' are in bold black text. A list of activities is on the right, and the website and social media icons are at the bottom right. Two large butterflies, one purple/orange and one yellow/purple, are on the left side.
