## Message from the Head

Dear Parents and Carers,

The school is looking amazing with new displays popping up in the classrooms and corridors. Thank you to all the staff for their continued effort with making the school such an inviting place for children and visitors. In assemblies this week, the children have been learning about some of their rights. In 1989, governments across the world promised all children the same rights by adopting the UN Convention on the Rights of the Child. The Convention describes what countries must do to ensure that all children grow as healthy as possible, can learn at school, are protected, have their views listened to, and are treated fairly. Each class is in the process of creating a class charter based on these rights. Each class will consider what it means to them and will create rules and responsibilities to match each right. I look forward to seeing how the class charters progress over the next few weeks.

I wish you all an enjoyable weekend,  
Miss Lock

## ShelterBox

Thank you to everyone for your overwhelming support in helping to raise funds for ShelterBox, which in turn is supporting countries directly affected by the devastation of Hurricane Irma. So far you have raised a staggering £255.55 and we are still counting!
