Dear Parents/Carers

What an exciting week for the Foundation Stage class. They had a visit from and got to be involved in the use of a fire engine at school. There were sirens blasting and water cannons firing and lots of smiles from some very happy children.

At the Parents' Forum on Tuesday, we discussed the website and school app and the inconsistencies people may be experiencing through this initial set up period. We are aware there are issues with what people can and cannot see and or have access to and we are working with e-schools to resolve these. In order to make this a success, I am asking for you to please make a list of all the issues you are experiencing so we can categorise them and ensure all problems are identified. In the meantime we will run information via email as well until there is a smooth transition between the two forms of communication. Please press 'reply' to Mrs Andrew's email this evening so all comments are kept together rather than having 120 separate replies. Thank you for your patience with this matter; as with anything new, especially technical, there will always be teething problems to begin with.

If you wish to pass on any comments, positive or constructive, regarding school policy or practice then you can send them to the chair of the Parents' Forum via email to parentsforum@devoranschool.co.uk

A polite reminder to all parents using the school lunch service run by Autograph, please log into your Parent Pay account and sign up.

I wish you all fantastic weekend.

Thank you for your continued support.

Mr Thiele
Headteacher

Next week's diary notes:

- Year 6 SATS week – All week
- Year 2 trip – Monday 8 May;
- FS Swimming - session 3 – Thursday 11 May;
- Fresh Air Friday – Friday 12 May

A reminder that Year 6 SATs week begins on Monday. Please ensure your children arrive promptly to school in time for Brainy Breakfast.
