May is National Walking Month Walk to school, work or just for fun and raise funds for Citizens Advice Cornwall

Photo by Juliane Liebermann on Unsplash

I am writing to you on behalf of Citizens Advice Cornwall, a Cornish charity who is seeing unprecedented demand for its services as we navigate the energy, housing and cost of living crisis.

May is National Walking Month so we have launched 5K May. To take part all you have to do is walk, run or jog 5k during the month of May and collect sponsorship from friends and family.

Anyone wanting to take part can register by visiting: <https://www.justgiving.com/citizensadvicecornwall> or by emailing tamsin@citizensadvicecornwall.org.uk

Citizens Advice Cornwall is a charity providing free, independent and confidential advice on a wide range of subjects for everyone in the community. Last year we helped almost 9,000 people in Cornwall and the Isles of Scilly writing-off debt worth a total of £1.8 million and gaining income worth £5.3 million.

Whether you walk 1k or the whole 5k the money you raise will help us to continue to provide the vital service we offer, giving trusted, confidential advice and support when and where it is needed. Every penny you raise goes to helping people in our community cope with the challenges they face.

If you would like to find out more please visit our website www.citizensadvicecornwall.org.uk.

We also have a gaming fundraiser in May if you'd like to find out more please visit <https://citizensadvicecornwall.org.uk/support-us/>
