Message from the Head

Dear Parents and Carers

We had a great start to the week with our Netball Team winning their first game in the High 5 League against Bosvigo School– 17-0. Everyone showed great team spirit and are developing their skills each week – well done team!

Today we also sent 20 Year 6 children to Penair School to develop their skills as a Sports Leader. We look forward to seeing the children harness these skills over the next two terms.

We have put the Spring Term Curriculum Overviews onto our [school website](#). These documents show you which topics are being covered in your child's class. We hope that you find them useful.

I hope you all have a lovely weekend.

Best wishes

Miss Lock

Camp deposits – Years 4-6

The camp deposit is due on 31 January. If you go onto your child's ParentPay account, you should see it there. It is worth noting that should a camp need to get cancelled, you would get your deposit back. We split the payments over the months in the hope that this makes it easier for families to meet the payments. If you have any problems or concerns about any of this, please don't hesitate to arrange an appointment to speak with Miss Lock.

Autograph – the catering company that provide our school dinners are inviting all parents to contribute to the survey below so that they can gather the opinions of parents (and children) we would be very grateful if you would take the time to complete this short survey – especially as we know that there have been glitches with the school dinners over the past term that we have worked hard to rectify. Please complete this survey even if your child does currently eat a school dinner (please add as much detail in question 5 about the food quality as you can).

The survey can be found here:

Lets Localise – can your local business sponsor us please?

You may remember that I shared some information with you in the Autumn Term about a project that our Year Six children embarked on called **Assets to Success**. We have been collaborating with local suppliers to try and get many of the projects developed and into print. We are asking for sponsorship from local businesses to help get our first project printed (a book to help other people to develop their skills, behaviour and confidence). If you are a local business, or if you know of a local business who may be able to help us, please direct them to the link below:

Virtual TRLC Collaborative Art Gallery Event

The TRLC want to celebrate the abundance of creativity we have amongst our children/students. We plan to produce a TRLC programme to support the Awards celebration Event (e-copy format) for this year and will require some amazing artwork from the children/students to adorn it. This year our theme will be 'Brighter Days'.

In addition, all entries will be collated into a PowerPoint slideshow to share across the group 20 schools/college which can then be shown on school's various platforms such as websites, Facebook etc. showing every piece of artwork entered. Winners will be chosen (there will be 3 x winners – 1 for each of the front, back and inside the programme) by the steering committee.

Entry deadline will be **Monday 6 February**. Please follow the instructions below:

- 'Brighter Days' is the theme
- A4 portrait orientation only
- The A4 composition can use any art medium, pastel, charcoal, watercolour, screen print – no restrictions.
- Entries must be handed in to Mrs Tippett in the school office by Monday 6 February.
- On the front of the artwork we will need to see the child's full name (the winning entries will also have an acknowledgement using their name and school in the programme) Please complete this [online permission form](#) to allow us to enter your child's artwork in the competition.
