

# PTCA NEWS

Firstly, we want to start with a great big **THANK YOU** to the school staff, parents, carers and community for all your support this year .

As it is coming to the end of the year we wanted to let you know what the money has been spent on so you can see how much the fundraising means to the children and the school.

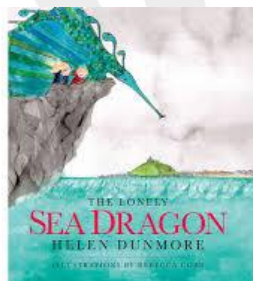

At the start of each Academic year your fundraising pays for **Image Theatre**, a local production company. This year they performed The Jungle Book. It was a wonderful opportunity for new parents, carers and children to come together and watch a fantastic play, have a picnic and have a great time!

**Cornwall Resus**, a life saving training and event first aid company, delivered training in the School. We now have several classes trained in basic first aid with Cornwall Resus coming back next year to deliver the same training to other years. Tabi, was impressed with the hard work of the children and how quickly they grasped such a scary but necessary lesson.

You may have noticed the incredible Sea Dragon that has been re-created by the schools talented staff in the Reception. This model is based on the book by Helen Dunmore called The Lonely Sea Dragon and was illustrated by Rebecca Cobb who as luck would have it is Cornish. Rebecca visited the school and all the classes were inspired by her images and tried their hand at illustrating imaginative creatures.

This year we have also funded; a Water Fountain - £700, Sunshelter - £450, Climbing wall - £2,500, Waterproofs for Foundation Stage - £390 (being used for fresh air friday etc), Books used during safety week - £36 and Bike ability which is coming up - £520. So as you can see your money goes along way!

### And in other PTCA News...

Pru Atkinson has taken over the role as Treasurer with the other roles remaining the same: Theresa Mellor – Chair, Margi Shaw – Deputy Chair & Samantha Barnett – Secretary. We will be looking for class reps as of September if anyone is interested. Their role is to encourage parents in their class year to help organise stalls/activities at PTCA events and to feed back any suggestions from parents children with regards to what they would like organised or where they would like to see the money spent. WE NEED YOUR IDEAS AND HELP so we can continue supporting the school. THANK YOU ☺
