CLARE HOLLINGWORTH AND THE SCOOP OF THE CENTURY

On 17 November PaddleBoat Theatre Company will be performing this fun packed family show at Devoran Village Hall!

From the busy newspaper offices in London to the frontline during World War II, join fearless journalist Clare Hollingworth and go undercover in an interactive show bursting with storytelling, songs and the scoop of the century.

After the 55 minute show join us in a storytelling workshop, where we invite you to bring along intriguing artefacts and local stories of World War II to share. Designed for all the family, you will be able to become a real journalist and delve into local tales and maybe uncover a story or two of your own.

You can book tickets via Carn to Cove: <https://www.carnforcove.co.uk/event/paddleboat-theatre-clare-hollingworth-the-scoop-of-the-century-4/>

£50

Join Lee in making a set of unique linocut printed Christmas cards from your own design. You will be able to experiment with colour, and black and white designs, and you won't need a printing press! Bring a sketch, photograph or just an idea so you can unlock your inner artist and impress your friends with a beautiful hand crafted card this Christmas.

Traditional Wreath Making

with Lisa Grigsby

Wed 11th Dec (**SOLD OUT**) or Thurs 12th Dec (**ONLY 4 SPACES LEFT**)
6 - 9pm £35
(*includes a glass of Prosecco!*)

Join Lisa from Down by the River Florals to create a fresh foliage wreath! Enjoy a festive welcome drink and then begin the process of building your wreath using traditional methods – starting with a moss & wire base and plenty of fresh greenery before adding decorations as the perfect finishing touch! The wreaths will look lovely adorning your front door this Christmas or used as a table centre-piece; they also make wonderful gifts!

With a background in lifestyle photography and styling for Cornish artists and brands, Lisa's love of flowers grew, leading her to train at the renowned Tallulah Rose Flower School in Bath and onto start hosting her first seasonal workshops. Lisa's interwoven skills provide a unique creative flair with intentional use of foliage and textures reminiscent of a childhood spent in the English countryside and an affinity with the Cornish coastline.
