Message from the Head

Dear Parents and Carers

Last week we had the most amazing weather for Sports Day and it was such a special day! Mrs French organised such a brilliant morning for our children and I have received an overwhelming amount of positive comments from parents about the event – thank you so much Mrs French! Thank you to everyone who attended and thank you to the PTCA for providing refreshments for the parents as well as the well-earned ice lollies for the children. The Penair Sports Leaders were fantastic at supporting our children, demonstrating each event as well as keeping scores for the Houses. It was fantastic to see every child contributing to their House by earning points and putting in their best effort. It was a very close competition with only 63 points between the Houses. The results are below for your information – congratulations to each of the Houses for your tremendous effort and congratulations to Pendeen who are the winners of the Roskilly House Cup this year. In the afternoon, we really enjoyed listening to our House Captains deliver some really inspirational speeches to the whole school in our celebration assembly. The House Captains have led brilliantly this year and set a great standard for our children to aspire to. Well done House Captains! Sports Day photos will follow – we are just needing to check permissions before putting them in the newsletter!

We hope that you all enjoyed the Summer Sizzle on Saturday. It means so much to us to get the community back together again and it was lovely to see so many children and parents involved. Thank you so much to the PTCA who have worked incredibly hard to put on this event and thank you to everyone who helped on the day! The PTCA are in the process of handing over to a new PTCA committee. Thank you to everyone who has supported us over the years and thank you to everyone who is stepping up to keep the PTCA going raising vital funds for the school. We look forward to the future events in the next academic year!

Best wishes
Miss Lock

Gymkhana

On Friday Ella and Harriet represented Devoran School in a Gymkhana event. Out of about 15 teams they were placed 4th in tack and turnout and 6th in the games. They had a super day and we are very proud of them for this wonderful achievement!

Cornwall Cricket Under 11 Development Squad

In November, Tom Bell (Year 6) Rory Best (Year 5) and Milo Best (Year 4) were selected to be part of Cornwall Cricket Under 11 Development Squad. This was a squad made up of about 40 boys from across Cornwall. They have trained from January until June with the squad demonstrating huge commitment and sportsmanship. Unfortunately, they have missed out on selection into the final 14 playing squad this year, but nonetheless we are all incredibly proud of how hard they have worked at developing their game. Great effort boys. Fingers crossed for next season!

Cricket News

More cricket news will follow next week as so many year groups have gone out for cricket competitions over the last two weeks!

Devoran Wraparound Newsletter

(04/07/2022)

This Week's News

This week the weather got in the way of our outside play a little but this hasn't stopped us having lots of fun. We have looked at the life cycle of a strawberry and enjoyed being able to eat the ones we have grown as well as relaxing with our friends, creating models and lots of colouring and drawing.

No After School Club

On Thursday 7th July there will be no After School Club due to whole school staff training.

Drop off and Collection

Drop off and collection for all children is at the doors at the back of the school hall.

Please can we also remind everyone that with the exception of those who need the accessible parking space, the school car park should not be used at drop off or collection times.

Warmer Weather

Can we ask everyone to start thinking about sun protection for the children. Each child will need a sunhat/cap, water bottle and sun cream available in school. This can be sent in each day or you can provide **NAMED** ones that we will keep in the Wraparound cupboard if this is easier. We know you will understand the importance of this and appreciate your help in making sure the children are prepared for their outside activities.

Have a lovely week!
